FURTHER EDUCATION COLLEGES
DECLARATION OF NON-REQUIREMENT**

Please ensure that you read all the information available within the Licensing | PRS FE Colleges section of www.cefm.co.uk, and if you are certain that your college makes no non-curricular use of music, **please sign and return this declaration form**. If you have any further queries regarding the scope of the *PRS for Music* licence please contact a member of the helpline team to discuss your college's individual requirements. You can call us on 01494 473 014 or email prs@cefm.co.uk

What the licence allows you to do

The licence granted by *PRS for Music* allows the public performance of any of their members' work on the licensed premises, by means of live recital, radio or (in conjunction with the PPL licence) mechanical device such as tapes or CDs.

The *PRS for Music* has reciprocal links with similar rights agencies throughout the world and so the licence also grants permission for the public performance of most music created around the world.

Payment of the annual royalty allows the unlimited use of background or mechanical music including but not limited to, the use of radios, stereos or televisions in common rooms, offices or communal areas, jukeboxes and telephone music on hold.

Any infringement of copyright can be pursued by the Copyright Protection Office and can lead to civil proceedings.

Your college's invoice/licence will not be cancelled until a signed declaration is received.
